

Hi there 😊

My name is Ewa Obajtek. I was born on 07.01.1992. I live in a quiet village called Wierzbowa with my mum, dad and my younger brother. Its near Boleslawiec. I go to a comprehensive school in Bolesławiec.

My hobbies...hmmm.. when I was younger I played the piano and I was in a basketball team but now I love reading books- the best author for me is Paolo Coelho- and meeting my friends- I go to the cinema, to a pizzeria, to a sport centre etc.. I like walking in the forest and taking photos there. In school my favourite subjects are: English , Polish, Maths and Information Technology. I have started learning Spanish and I am falling in love with this language. I don't like cooking. I can clean my home or whatever but without cooking.

I am a very cheerful person. I am an optimist, nice and friendly, too.

If I have to describe myself in a few words, I would say that I am very friendly and sometimes a crazy person; I like watching sport on TV very much, and meeting my friends.
