

My name is Natalia. I am 17 years old. I was born on 17 September 1992. I live in a small town in Poland-Boleslawiec. I have two brothers who are older than me. They are 19 years old. In my free time I go out with my friends or we watch films. I like listening to music (especially Polish reggae) very much and reading different books. The best kind of story for me is crime and detective but I read all what is fascinating and interesting. My next hobby is football (soccer). I really love it.

I am a person who doesn't like boredom but likes fun so I am cheerful and a bit crazy. I love doing things that people don't expect me to do, I like surprising people. Even if I am a bit stubborn, people can easily talk with me. I am also talkative, however a bit shy. I don't like arrogant, too confident people and Polish cuisine.

I dream about a career as a manager in big corporation but I hate learning. I don't know what I will be doing in the future.
