

Hey everyone

My name is Aleksandra (Ola) Wojtala and I am 17 years old. My birthday is on 28th July 1992. I live with my parents and my two little brothers Paweł and Rafał in a small village Świątoszów. Currently I live in a dormitory in Bolesławiec because I go to school there.

I love spending time with my friends. We are always laughing and smiling. I like listening to music and Rock music is my favourite. **My Chemical Romance** is my favourite group- I love them ;).

At weekends I like sleeping until twelve o'clock then I just relax and enjoy my life. In the future I would like to study criminology in Buckinghamshire New University in the UK. My ambition is to find a job in Canada after I graduate.

More things that I like: chocolate, ice cream, having fun with my friends, summer, mint tea, horrors, fantasy books, traveling, black colour, volleyball, animals (apart from cats);

I dislike: boredom, pink colour, people who imitate somebody who they aren't.
Ola ;)
