Name: Tanja Nikolay

Age: sweet 15...but that's gonna change!

Country: Germany

School: Max Steenbeck-High

Class: 10

Music: I love rock .there are too many bands that I like to write them all down. In general I'm listening to stoner rock, blues rock, alternative, grunge, indie and sometimes to jack Johnson. Actually I'm open for many things...

Books: the eragon books, p.s. I love you, harry potter, illuminati, macho man..and so on

Hobbies: playing the guitar, actually horse riding...but naughty horse kicked a girl off his back..and now the girl has a broken arm..Never mind^^

Likes: CHOCOLATE...even if I shouldn't like it, music, shopping, visiting concerts, white Christmas with hot chocolate, warm summer days on the beach, hanging around with friends, friends, kissing and other things related to my boyfriend ;), showering, celebrating, laughing, riding through cornfields or beaches, falling asleep with a loved person, melons, Chinese food, staying at home on rainy days, talking, talking, talking ,sunsets, the sea, Italy and Italian food, humorous persons , loyalty, singing and crepes..and muuuuuuuuch more ☺

Dislikes: being outside on rainy days and having wet hair grrrrrr XP., getting up at 5 o'clock am and coming home at 5 o'clock pm -.-..jealousy , cold feet, racism, techno music, people to can't have fun with, being alone, nothing to watch on tv, broken arms ☹ ..that's enough !!

About me : I'm a very impatient, stubborn and unpunctual person..and I'm happy with that ☺. I can be really cheeky but I try to control myself a bit. But deep in my heard there's also a loveable person..i think so...:D
