

Hey guys,

my name is Tina Krüger and I am 15 years old. My

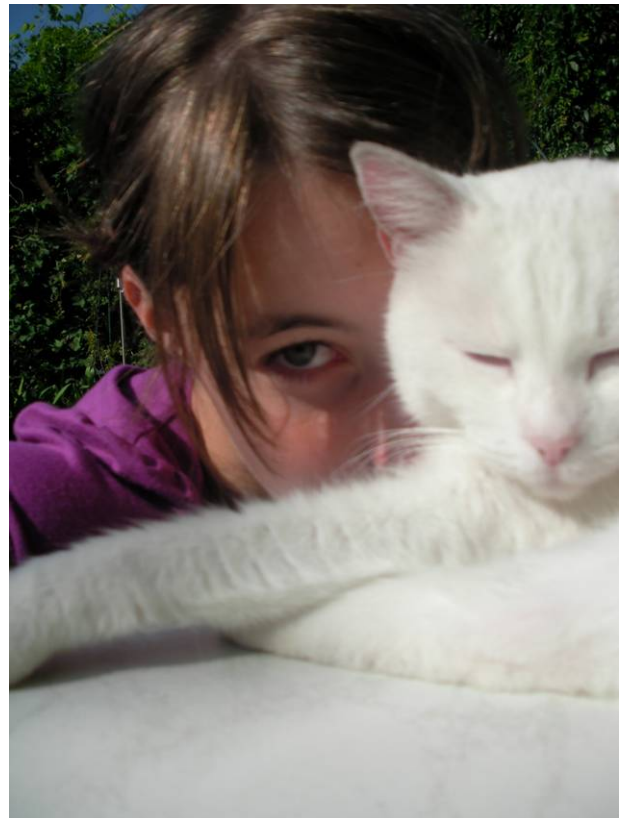

birthday is 10.08.1994. I live in a very small village, called Heinersbrück, near Cottbus.

I live here with my family, that`s my mum, my dad and my brother Harry, who is 19 years old.

Moreover I have a sweet cat. Her name is Paula and she`s really

intelligent ;-)

I love playing football and sports in general. I've been a member of the club SG Jänschwalde since 7 years. What I like too, is playing tabletennis but I only do it in my freetime, just for fun. Well, I think that many kinds of music are good. At the moment, my favourite band is

"One Less Reason". I think you won't know it because it's a relatively unknown band, but the music is fantastic. Yes. . . . All in all I'm a nice, quite funny but a little shy girl (-:
Greetings, the Tina ;-)
