

Yeah, that's me.

Name: Wojtek Jasiński, sometimes called Kudłaty (Shaggy)

Age: 17, born on 24th of March 1992

Hometown: Bolesławiec

Something about me? I am just a normal 17-year-old guy. I live with my parents in Bolesławiec and lead a pretty boring life. I am lazy, I like sleeping and I'm always plotting how to get more of it. When I stop being lazy I like hanging out with my girlfriend, friends, singing (even though I break glass with my voice>_>), playing football (another thing I'm average at) and when I have nothing to do – playing computer games (For The Horde!)

Favourite books: Lord of the Rings. Harry Potter, Dresden Files

Favourite films: LOTR, Matrix, Requiem for a Dream, Equilibrium.

Favourite music: Metal and rock, I guess. Sometimes I am in a mood for electronic, too.

Things I hate: waking up early, my neighbours, racism, dishonesty etc. etc.
